

# A VERY SPECIAL BOOK OFFER

**THE BREAKDOWN OF NATIONS**  
LEOPOLD KOHR's historic classic, the most important work of political and economic theory of the twentieth century and the basic textbook of **THE FOURTH WORLD** is now available in a new edition with a special foreword by Sir Richard Body,

together with

**A PAIR OF CRANKS**  
*(Note: A crank is a device for creating revolutions)*

A superb collection of essays by **LEOPOLD KOHR & FRITZ SCHUMACHER**, which have been specially edited by a third crank, **JOHN PAPWORTH**, who first published them when he founded and edited the magazine *Resurgence* in the early sixties.

Both books are being offered to *Fourth World Review* readers as a single package for only £15! (inc. p&p).

*An ideal gift for all reasons for all radicals.*
